SECTION C – Account Features / Online Trading

The CMC Markets Stockbroking website offers many useful tools and features for today's investor. The website is simple to use, and can assist investors in managing their portfolio efficiently. The website provides live prices for equities, fixed interest and derivative products and also comprehensive research on the top 300 companies.

You have the ability to place your orders online without having to speak to a Dealer. The website utilises **"Straight Through Processing"**. This means that your order is sent directly to the market. Even if you choose to trade online, you still retain the ability to trade over the phone with the experienced CMC Markets Stockbroking dealing team.

If you want to trade online, you will be required to be CHESS sponsored with CMC Markets Stockbroking and to open a CMC Markets Share Trading Account. You have to receive your confirmation notes by email. There is no charge for these services.

Best of all, access to the website is **free** for all our clients.

This trading account can be linked to your existing login code. This will enable you to keep a record of the trades and holdings which occur on your account.

If you have an **existing** login code to the website, please supply it here. If you do not have a login code, but wish to receive one, please tick the box below.

Each account holder must have their OWN login code to the website.
